October 2011

Dear Friend,

“Cast not away therefore your confidence, which hath great recompense of reward. For ye have need of patience, that, after ye have done the will of God, ye might receive the promise.” Hebrews 10.35-36

This has been a busy month! I just returned from missions organization business in Dallas. Meanwhile here in Guadalajara the Pan American games are being played with our city the main host city. Traffic is awful, but the evangelistic opportunities are great.

The work continues to grow – we have the Los Fresnos mission going good, and now we have two more missions opened in the city: Buenos Aires and Tateposco. Both of these are neighborhoods in Guadalajara. Both are in rather poor areas, but the response has been very positive!

Linda has been steadily improving in her health, although her kidneys and low hemoglobin count continue to hinder better progress. We appreciate your prayers for her healing. We need her strong and well because the Titus 2 ministry has really been taking off in these last several months, and more courses are already being planned for the next few months.

Did I tell you about our new prison ministry? Well, really we aren't doing it in person. It has happened through our Agua Viva radio programs in Tepic, Nayarit.

Raul is a former drug cartel member. He is in the maximum security prison in Tepic. One of his 3 cell mates is a former satanist. I say “former” in both cases, because in listening to our early morning program they have gotten saved. They are studying the Bible course we send to radio listeners. Now all four cell mates are saved and listen to the program together before doing their Bible lesson.

They have also begun to share the Gospel with neighboring cells and interest in the Bible is growing in the whole cell block. Pray for Raul, Gerardo and the others there.

We are so blessed by your prayers and support. God bless you and thank you very much!

In Him,

Roger & Linda
