Dear Friend:

Greetings and blessings in the Name of the Lord Jesus. Linda and I want to catch you up a little on what's been happening around Guadalajara and the rest of the five-state area where we mainly do our ministry.

### Quarterly Regional Pastors' Meeting

Pastor Michael Massa from Church of the King in Dallas (our home church, and our pastor) spent five days with us here last week. He ministered in three of our Guadalajara Centers on Sunday and all day to our pastors at the Regional meeting. Pastor Michael's message was a great encouragement to all the men and their wives. Good meeting!

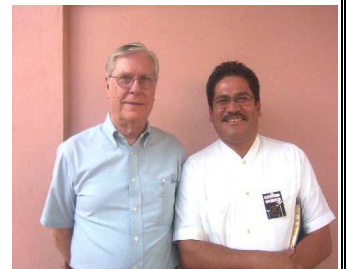

### Pastor Efraín's 10th Anniversary at the Agricola Center

Pastor Efraín and Angélica have served for ten years at the Agricola Center. It was a joy to minister to them and their congregation 2 Sundays ago. Pastor Michael brought a good word, and we prayed over them at the end of the service.

### Reports from the Field

- I received a very excited call Monday from Sister Esperanza (Pastor's wife in Autlán, Jalisco.) She shared with me a week-end meeting they had in a rented hall there. Over 200 people responded to the message and prayed for salvation. They have been watering the soil there with their tears for several years. We believe the payoff is coming in, now. Praise God.
- I met with our Ocotlán pastor, Bro Samuel, on Friday. We worked together to get a fallen pastor into Reto rehab center here in Guadalajara (major victory!) Then Samuel shared with me how that Christmas week 10 people had received the Lord. The next Sunday 6 ore came to the Savior. The next 2 Sundays 4 more each week. They have struggled there for 4 years, but now suddenly have over 50 people in the church. Praise God.
- The Mérida pastor emailed me a great report, too. People are coming to the Lord in Mérida at the Center there, and new missions are being opened in the smaller cities around the state. God is moving in Mexico!

Pictured are the Autlán pastors, Raymundo and Esperanza with their daughter, and Roger with Rigo Martinez, the Mérida pastor.

### Thank you for your prayers and gifts for this ministry.

Paul, the apostle was so grateful to the Philippian believers for their offerings and prayers for him and his team in Greece. He reminded them that through their prayers and gifts, they were making deposits in Heaven's Bank. You, we are doing the same today when we support missions. May the Lord grant you returns on your deposits a hundred fold! Thank you for being a partner with us in missions.

Oh. The AGUA VIVA Radio Program continues to be a fruitful outreach of our work, too. A new pastor was welcomes to the city in a pastors' prayer meeting today. I was asked to lead in prayer for his blessing here. He said, How fitting. Because he got saved through our ministry. Praise God

God bless you. Real good.

In Him,

*Roger and Linda*
