

Pastors Note...

I am enjoying the series on 'Survivor.' Thank you for your favorable comments. I received the following note this week and wanted to share it with you:

Pastor, just wanted you to know I took your challenge to be deliberate with a reading plan for God's Word. I have it set up on an iPhone app. I am currently reading from Genesis, Matthew, Ezra and Acts. I asked God to help me read with a renewed clarity and passionate desire to get to know Him better. I am amazed how many times I have come upon new things and the more I read, the more I can't wait to read more! There are so many dimensions of our magnificent God! Please pray that I can be faithful with this time and that it will also strengthen my prayer time and spill out to others!

I am thankful for her enthusiasm and the new revelation of how 'magnificent' our God is. He is altogether lovely and worthy to be praised!

I will turn the darkness before them into light, the rough places into level ground.

Is 42:16

We are rejoicing in God's faithfulness today! It is great to have Jason and Lina back with us. They arrived yesterday afternoon after getting her Visa on Friday. It has been a long 6 month ordeal for them. Now they can relax and get on with their lives together as husband and wife!

Please join us immediately after church today for a brief reception for them. We will have a receiving line so that you can communicate your love and support to them.

Keep Haiti in your prayers, we are sending funds to Globe International.

I love you, *Pastor David*
