

Pastor's Note...

Dear Saints,

Thank you for praying for us last week while we were in NC at the Liberty Fellowship Summer Family Conference. God was faithful to hear your prayers and things went well.

Tammy, Rob, Brooke and Amanda are back with you today. Debi and I plus Jason and Lina, and Ryan and Charity are with my sister Patrice and her family on the intercostals waterway in Shallotte NC. We are having a little family reunion for a few days following the Liberty Fellowship Retreat. We will be home Wednesday evening.

We have missed you and look forward to being with you next Sunday. We love you and this church!

Pastor Philip will be preaching today. He has preached for us in the past and did an outstanding job. I know you will be blessed by him today. Please encourage him and let him know you love and appreciate him!

In the past few weeks we have been preaching on the Power of God out flowing through us. I have been stressing that we have the power of God in our lives. We know we have the power of God, because we have salvation, His Word, and the infilling of His Holy Spirit!

To deny that you have the power of God is not humility, it is unbelief. God says that He has given His power to all believers. Who would dare to deny it?

Let's begin to expect His power that is in us to out flow to the lost, our families and friends, and our community. How are they going to know unless we have the out flow?

We are his vessels fit for His use. Make yourself available!

I love you, *Pastor David*
