

Welcome

First Time?

Welcome to the Vine Fellowship
Our Desire is to connect individuals to God, to other Christians and to the World. We believe at the Vine that we were not meant to do life alone and are passionate about being Christ's hands reaching out into our local community and to the ends of the earth.

Senior Pastor David & Debi Kerr

Dear Saints,

We are continuing our series 'Into the Deep.' I am thrilled with your comments and the appreciation that I received after last week's sermon. **Relax; I AM NOT going to call on anyone today per last week's sermon.** Remember, we are pursuing a more intimate walk with God in 2012.

Our path to intimacy with God begins with a sincere act of confession. Be honest about who you are, about the state of your life, your weaknesses, your mistakes, your sins — what you want or need to change. **Keeping them bottled up to yourself only compounds the grip that sin can have over you. Confess sin honestly to God and ask for His forgiveness. He gives it freely.**

Part of the Christian life is committing a lifetime to developing a deep, intimate relationship with God. And at any given time, one or more of the above keeps us from moving deeper in our commitment and love for God. But just because we've grown accustomed to the shallow end doesn't mean we can't gather up our weaknesses, inflate a pair of water wings and begin — one baby step at a time — a new, stronger relationship with our God.

Launch yourself into the deep this year! I love you, Pastor David
